# ENDURO DIVISION

## YEAR-END POINT STANDINGS DISTRICT 37 ENDURO

Congratulations on completing another year of strong enduro racing. I would like to thank all of the Enduro riders for making this an enjoyable year and for the opportunity to serve as your steward for 1988.  
The new Enduro Steward for 1989 is Anne Crawshaw, whose address and telephone number is:

Anne Crawshaw  
6891 Marilyn Drive  
Huntington Beach, CA 92647  
(714) 842-7990

Anne's racing experience and credits are too numerous to mention here, and I encourage you to introduce yourselves to her at the first few races.

Next year's schedule of Enduros is as follows:

January 29	VCMC	Red Mountain
March 5	Chapparals	Red Mountain
April 2	Prospectors	Tokiwas
April 16	C.P. Penguins	Los Padres National Forest
May 21	U.E.A.	Lucerne Valley
October 15	Training Wheels	Randsburg
October 29	Checkpoint	Red Mountain

also, U.E.A. is promoting a hare scrambles at Red Mountain on November 19, 1989. This would be a good warm-up for B-2-u.

If any of you are dual card holders (desert and enduro) remember that due to a rules change, desert riders can earn desert points for their best 4 enduros of 1989. Desert riders will be scored against desert riders in their same class for desert points, but must complete the specified distance for their desert class to earn points. Enduro riders will continue to be scored only against enduro card holders for enduro points, and can be scored for the distance ridden--enduro riders are not required to complete the full distance to earn points.

If you notice a "T" next to your overall position for the year, you will be recognized at the year-end awards banquet on January 14, 1989 at the Embassy Suites Hotel in Anaheim. For reservations write to Glenda Jackson, 5780 Calle Vista Alegre, Yorba Linda, CA 92686. Cost is \$24.00 per person if you plan to attend dinner.

If you notice an R next to your class, I have made a recommendation to the new steward to bump you up in class for 1989. You may wish to contact her if you do not agree with this class adjustment. If you have any other questions about the results, I can be reached at (714) 995-4097. Happy Racing in 1989!  
Lisa Latham
